

FORUM

für Migrantinnen und Migranten
der Landeshauptstadt Kiel

The Forum of Migrants of the capital city Kiel of the Federal State Schleswig-Holstein represents the interests of the migrants living in Kiel towards the city council, municipal administration as well as towards the public. It creates a common platform for exchange and formation of opinion between migrants or their organisation and the politics as well as the municipal administration.

The Forum holds its meeting regularly at the city hall once a month. During the meeting information about new projects and measures are exchanged which are of particular importance for migrants.
